Can I book to Cape Town, Durban, Port Elizabeth?

Yes! We offer discounted through-fares for Solwezi or Ndola through to Cape Town, Durban or Port Elizabeth through our partnership with South African Airways (SAA) and kulula. The South African domestic flight will be operated by either SAA or kulula. These can be booked through any travel agent, our Proflight Call/Email/Whatsapp Centre or any Proflight office. Unfortunately, we don't yet have the technology to book these on our website however once you make your provisional booking through us, you may still use our website to pay with your debit/credit card.

Your Proflight ticket will contain all the flights on your journey, meaning you get the same great Proflight baggage allowance of 46 kgs even on the SAA or kulula flights. Also, in case any of the airlines along your way are delayed, you will be accommodated and rebooked on next available flight free of charge. Please remember you will still need to check-in online or at airport with SAA or kulula for your South African domestic flights.

Can I book UMs?

Yes, we happily accept unaccompanied minors (11 years or younger) on the flight, even if you are connecting to/from Solwezi. We also accept them for connections with Durban/Cape Town but they will have to travel on our connecting flight options with SAA between Jo'burg and Durban/Cape Town as kulula flights do not allow 11 years or younger to travel alone. There is no extra charge for unaccompanied minors and they still receive our 25% children discount. Please note we are limited to a certain number of Unaccompanied Minors per flight so book early.

Can I connect to overseas outbound carriers at Jo'burg?

A secret of the industry is generally the fares purchased out of Jo'burg for overseas travel are much cheaper than if purchased out of Zambia. You can purchase a separate Proflight ticket for your travel between Copperbelt and Jo'burg and a separate ticket on the overseas airline. In Jo'burg, use the international transfer facility. This facility can be used even for separate tickets between different carriers. This facility does not require any South Africa visa. To view a demonstration of the facility, please visit our website section Booking/Connecting Flights.
